Thanks for sending me the memo on the open NFIP budget issue. It is very helpful to review the data you have in there. This will remain a back burner issue since I detect that Congressional enthusiasm for releasing the budget figures is declining. It is not at all clear to me that we want to encourage release of more data. What we would stand to gain and why we would want to do that are not obvious.

Nonetheless, it's an issue with which we might ~~be~~ seized some time in the Fall or Winter and it's good to know that we have some analysis of it on the shelf. Thanks.
